Shady Agents: How to Sell Your Home Using Agents, Appraisers, Home Inspectors and Other Rats (Paperback)

By Slick Shyster

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. You need to sell your house. So you paint the front door and clean out the garage. You put an ad in the local paper, build a website and hold an open house but you don't get any buyers. Eventually you call that "Top Agent" who has been pestering you to list your home in the local MLS. The commission is a lot of money but you rationalize the thousands spent will be offset by the top dollar the agent says you will get for the house. Once you sign the agent's unbreakable listing contract you naturally assume the "Top Agent" will handle everything. Really? Think again. Before you list your home with an agent, read Shady Agents and take a behind the scenes look at what agents do and don't do when selling your home. Most how-to real estate books written by top-selling agents explain the home-selling process but provide little insight about the role of the agent. As you can tell by the title, Shady Agents underscores the impact agents have upon the transaction. It is a behind-the-scenes look at the home-selling process...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
