Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Large Print. Language: English. Brand new Book. Over the last five years of my life there have been many challenges. One was the fight for my life as my family, friends and I fought off stage 4 Cancer. I am now two years in remission after a stem cell transplant at UCLA. Many things changed in my philosophy of what is important in life. My circle became smaller but ever so stronger as I am able to pour more energy into relationships that mean the most to me. Many of these poems talk about that fight and what those who battled with me mean to me. You can also see a transition of a young boy turn into a grown man as I start to really search for my true meaning on earth. I always felt as though its to leave this place in a better way then when I entered. Even larger goals are in the balance as I continue to thrive as an artist and my voice starts to reach the masses. I love peace and team work and together we can make a difference. I have learned to never quit and aim high. Much love.
